

COLOURING COMPETITION

Enter our colouring competition. Your \$2 entry will help us to adopt another Aussie Ark threatened species. Prizes galore!

PLAY WITH A PURPOSE - CHILDREN'S FUNDRAISING

It's never too early to teach your children the value of empathy, volunteering, and charitable giving. Mary Gordon, the founder of Toronto-based educational program Roots of Empathy, tells us, "Empathy is caught, not taught. As children develop empathy it seems to come ready-made with courage and imagination. Children understand marginalization and issues of social justice in a clear and uncluttered way."

Please complete the form below and submit with \$2 entry fee,
to Wilderness Activity Centre and Cafe
5 Albert Circuit, Port Macquarie
